

Online Booking & Invoicing Management for your Village Hall or Venue

I'm the
Booking Officer
I'm responsible for
hiring the rooms

I'm the
Event Organiser
I need somewhere
to hold my class
or event

I'm the
Community
I'm looking for a
class or event

Online booking is now very much part of our everyday lives. People expect to be able to view availability and book directly through their computer or even phones. So that you and your Village Hall don't get left behind, Hallmaster.co.uk has developed the most advanced and easy to use Booking Management System specifically designed to save you time and increase revenue.

It is the perfect promotional partner that will help to attract local interest and business, to ensure your continued success and help bring your Community together.

Hallmaster Booking System will:

Save You Time

- Streamline your enquiry and booking system quickly, efficiently and avoid any double bookings
- Integrate with your own website
- Take Bookings for you, 24 hours a day
- Allow for multiple users to run the system

Promote

- Publicise events, classes and meetings through Social Media Websites (Facebook, Twitter etc)
- Integrates with your own website and displays realtime availability of your venue
- Help publicise those already using your facilities to ensure their success

Help Generate Income

- Helps maximise the letting potential of your hall or rooms

Manage your Invoicing and Payment Tracking*

- This optional add-on integrates directly with your bookings and converts them into invoices.
- Track payments, owings and send reminders
- Generate reports that are simple to understand.

Trial includes:
Full access to system
Full telephone support
Unlimited Bookings
No Software to download
