hallmaster

Online Booking & Invoice Management for Multiple Halls, Centres or Venues

Town Councils, Parish Councils, Consortiums, Co-Operatives ...
These are some of the Organisations now using Hallmaster to manage Multiple Venues themselves or, oversee the management of multiple venues by other Committee Members.

With this in mind Hallmaster.co.uk has developed
the most advanced and easy to use Booking & Invoice Management System specifically designed for Multiple Venues.

Hallmaster Multiple Venue Features

*manage all Venues in one account
*view and amend bookings, invoicing and reports
 for all Venues
*add or amend other Administrators for each Venue
*access to audit information of Administrator activity
*one licence covers all Venues under one account

*display room availability 24 hours a day
*integrate with your own website
*manage your bookings from any computer
*allows access for multiple admin users
*automatically calculate and generate customer invoices †
*track customer payments †
*comprehensive occupancy & financial reporting †
*full telephone & email support
*no software to download
*saves you time & leaves you in control
